15 Day Inside Passage Exploration Adventure

April 15: Sea Wolf is hosting a 75th Birthday Open House 1:00pm-6:00pm on her dock at Liberty Bay Marina. If you are staying on the Sea Wolf the night of the 15th you may store your luggage on the Sea Wolf any time after noon in our crew cabin. Staterooms will be available for your occupancy at 7:00 PM. Dinner will be on your own in Poulsbo which is a short 10-minute walk away.

April 16: 8:00 AM boarding and 9:00 AM departure from the Poulsbo dock. Our adventure begins by an early departure under Agate pass and as soon as we are in open water our eyes should be scanning for Orca's, Gray and Humpback Whales, Porpoises and Sea Birds of many types. Liberty Bay has an amazing number of Seabirds and ducks as well. We will be cruising to the San Juan Islands via Whidbey Island (whales). Our voyage will take us to Bellingham where we are stopping at Sitka Seafood Producers COOP to pick up our FAS (Frozen at Sea) Alaska Seafood. We will quickly move to an island anchorage for a before dinner activity. BLD

April 17-18: We will be exploring the San Juan Islands with stops at Stuart, Sucia and perhaps Matia. The limestone and sandstone geology of these areas offer wonderful photographic opportunities while paddling or cruising. This area is rich with seabirds, Harlequin ducks, River Otters and marine mammals. BLD

April 19-20: We will be clearing Customs and doing a little shopping in Nanaimo, British Columbia. Then we are underway to explore the Gulf Islands including Jedidiah Marine Park. There are many directions to take on this leg so weather, wildlife, currents and whim will dictate our passage. BLD

April 21: 6-hour cruise across the Charlotte Sound to cross over into the Great Bear Rainforest of British Columbia. Our anchorage will be in a beautiful Marine park on Calvert Island- perhaps a beach bonfire dinner this night. BLD

April 22-24: Weather permitting we will follow the outside coast and explore the Goose Islands by Kayak and foot. Then we will cruise deeper into the Great Bear Rainforest looking for wildlife along the streams and beaches. Depending of which route we take among the many, we may stop at a village long house where we will hear the stories of the local first nation. BLD

April 25: We will be cruising across Dixon Entrance (3-4 hours) and check in at Ketchikan, Alaska. Here we will have a short visit where you can have a walk about while we provision.

We will get underway and find an anchorage where we can explore the beautiful Alaskan Wilderness by foot or kayak. BLD

April 26: We will have a wonderful cruising day navigating the 67 Navigation markers of Wrangle Narrows passing by the scenic town of Petersburg AK. Our destination is Scenery Cove. Once here we will go for a walk on the Baird Glacier. BLD

April 27: We will be underway in the early am for the Brothers Islands, a beautiful place to see marine life, bird life and epic hiking and paddling vista's. This is our evening anchorage. BLD

April 28: We will have breakfast underway as we cross Stephen's Passage on our way to Endicott Arm for an epic paddle in front of Dawes Glacier. We will then anchor inside of a cove outside the entrance to Fjords Terror. Here we will have an pre or post dinner hike above the Terror. BLD

April 29: Underway after breakfast to Taku Harbor scanning the shores for bears coming down to feed on the tidal flats. Once at Taku harbor there is a beautiful hike up to Taku Lake or those who wish to paddle one last time it is a pretty shore to explore. This is our anchorage. BLD

April 30: We will be underway early and docked in Juneau by 10:30 AM. We will send you underway with a packed lunch to tide you over. BL

This itinerary is very flexible depending on weather, wildlife and whim. The Inside passage offers over 1,000 miles of beautiful coastline to explore by boat, paddling or hiking.
